About Us

GDG On Campus MIET is a passionate developer community dedicated to fostering innovation and technical excellence among students. We empower members with hands-on experiences in Google technologies through workshops, events, and collaborative projects. Our goal is to build a vibrant ecosystem that inspires learning, drives creativity, and connects future-ready developers, aligning with Google's vision to advance technology and open knowledge for everyone.

Maadhyam 2026

Maadhyam 2026 is MIET's flagship developer festival that brings together the brightest minds in tech. From hands-on sessions to visionary keynotes, Maadhyam is where students and industry leaders unite to share, learn, and innovate.

Guided by the belief that 'Create. Connect. Transform.', Maadhyam is curated with care, backed by passion, and designed for impact. It's not just an event—it's a movement that empowers a generation to lead the change.

- Event Format:** Engaging speaker sessions and dynamic panel discussions
- Audience Profile:** 70% students and 30% working professionals from tech backgrounds
- Estimated Attendance:** 150 participants
- Speakers:** Entire speaker lineup will consist of certified Google Developer Experts (GDEs), offering unmatched credibility and depth
